# 10 reasons to study in Adelaide

Adelaide is a city  
of festivals, relaxed  
living and education  
excellence that will  
get you closer to  
success.

01

### Thrive in a city where excellence is all around you

It's inspiring to study in a place with such a strong tradition of excellence. A place that's produced many Nobel Prize winners and world-renowned researchers. In Adelaide, no matter where you choose to study, you're closer to the highly qualified teachers and lecturers who can help you achieve your goals.

02

### Part-time jobs all in one place

We make it easier for students to get a part-time or casual job while they're studying. StudyAdelaide has created Job Shop – an award-winning website dedicated to connecting international students with hundreds of job opportunities with businesses who are actively looking to employ them.

03

### Enjoying life is easier and more affordable

Spend less on living expenses and more on enjoying life in Adelaide, one of the most affordable cities in Australia. In Adelaide, the cost of accommodation, transport and food is lower, and with major campuses, accommodation and workplaces clustered together, you will have more time and money to enjoy a balanced life.

04

### Pathways that bring you closer to success

In Adelaide, you can make real progress towards your dream job as you study. Adelaide's education providers work closely together to create pathways to employment for students. Adelaide's universities, colleges and VET providers work with key employers – including major global companies – to connect students with their dream job.

05

### Getting around is a breeze

International students in Adelaide enjoy the same student discounts on public transport as local students. Which makes a 28-day pass for full time students 50% cheaper than a full fare pass! And there's another bonus, there are also free trams and buses in the Adelaide city centre.

06

### Be part of a welcoming community

Visitors say in Adelaide, people from all nations, cultures, and beliefs are warmly welcomed. We're a close-knit, multicultural community, proud of our city and eager to share its wonders. You'll find it's quick to make friends with the locals, as well as other international students who come from more than 130 countries.

07

### It's delicious

Adelaide's vibrant city centre and cafe, restaurant and food scene is as exciting as some of the coolest cities in the world. The city centre features an amazing selection of restaurants and cafes with every kind of cuisine - from casual, affordable places perfect for students, to highly awarded, top end restaurants.

08

### You're closer to the action

In Adelaide, you're spoiled for choice with more than 400 festivals and events held every year in and around the city. Adelaide Festival, Fringe Festival, the Tour Down Under, WOMADelaide, Illuminate Adelaide, cricket, car racing, film festivals and OzAsia are just some of the amazing events you can enjoy.

09

### Get closer to the real Australia

In Adelaide you'll be surrounded by nature, with the parklands encircling the city centre. Within minutes you can soak up the sun on beautiful beaches, or see kangaroos and other wildlife in the rolling hills. It's easy to get to some of the most spectacular Australian landscapes including our famous wine regions, the Flinders Ranges and Kangaroo Island.

10

### Top Australian and global companies are right here

Did you know Microsoft, Tesla and Deloitte all have offices in Adelaide? Or that some of the biggest technology, engineering, renewable energy, resources and consulting businesses are here? Incredible work experience opportunities are everywhere. And most importantly, there is a clear pathway into your dream job after graduation.
